Honoring all who served

Greetings from your Governor

The Lodge was a busy place in October, with the Breast Cancer Battle of the Bra's and Poker Run fund raisers. We also had a fundraiser for the victims of the hurricane. I would like to thank everyone who brought in supplies for our hurricane relief project.

Unfortunately, and fortunately natural disasters are a two-edge sword. You have the devastation but also people coming together to help their neighbors and community. This is a wonderful part of what we do as Moose Members. It's called Heart of the Community. We, however, don't have to wait for natural disasters to be or get involved in our Community. There are plenty of Organizations that need you as well as your own lodge.

We are putting together a pool tournament in January and a car show next year. We are always in need of volunteers.

Thank you
Carl Crayton

Greetings from the WOTM,

Happy Birthday to all who celebrate a birthday in November.

I want to thank all who participated in our annual battle of the Bra's for our Breast Cancer Walk. We all had a fun time and all for a wonderful cause. We collected \$330. Thank You again.

As we try to get back to some kind of normal after this Hurricane, please remember those West of us who have Lost everything. Please say a little pray for them. It is times like this when we come together as moose members and give. We give our time, our money or just an ear. I want to thank each of you who donated items or money that we delivered to towns west of us that were hit pretty hard. It is a humbling feeling when we can give back to our communities. (and that is What being a Moose is all about.)
